## Declaration Regarding PAS-3

I MONIKA GUPTA, (Authorised Director) of the **MONEYBAG FINSERVE LIMITED** , hereby declare & acknowledge that we are submitting papers for getting the ISIN and also to get registered with CDSL. We are submitting the required documents and papers for the purpose but the PAS-3 for the last allotment of the 11,60,000 shares on dated 28.04.2022 duly submitted to the MCA in time is not available in our records. We wanted to seek the copy of the same from the MCA site from the public documents. But presently the site is not working hence we are unable to produce the same.

Meanwhile we are submitting the related board resolution and also the copy of the master data of the company on date where it is clearly mentioned (in the head paid up capital) the details of this particular allotment of the shares and it is evidenced that the return of the allotment (PAS-3) is duly submitted and the same is being reflected in the master data copy of the company.

We further assure that as soon as the site will be in order we will be able to provide the copy PAS-3 at the earliest.

I further declare that whatever has been stated above is true to the best of my knowledge and correct and nothing material has been concealed there from.
